Of glory in the flowers,
We will grieve not, but rather find hope In what remains behind.

CARE

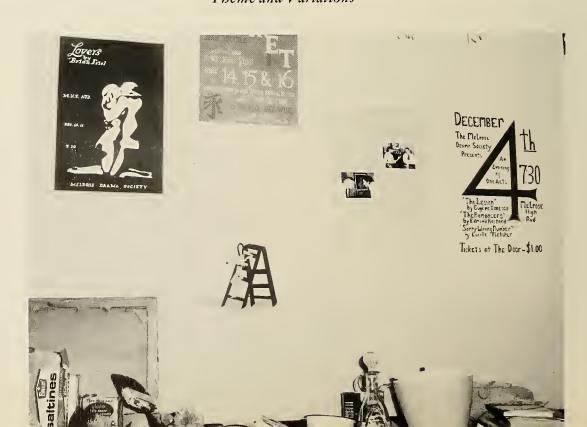

Woke up, got out of bed,
Dragged a comb across my head
Found my way downstairs
And drank a cup
And looking up I noticed I was late.
Found my coat, I grabbed my hat
Made the bus in seconds flat
Found my way upstairs
And had a smoke
Somebody spoke and I went into a dream.

Theme and Variations

A new day, a new way,
And new eyes to meet the dawn,
Go your way,
I'll go mine and carry on.
Stephen Stills

We, the class of 1973, dedicate our Log to Mr. William Hanlon for his many years of devoted service to Melrose High.

After graduating from Dartmouth and receiving his master's at Boston University, Mr. Hanlon went on to graduate work at Tufts and Lowell Tech. Mr. Hanlon started his teaching career in Bellows Falls, Vermont. He then taught at Keene, New Hampshire, Beverly and Reading before coming to Melrose.

Besides teaching for twelve consecutive years, Mr. Hanlon was advisor to the Log staff. Until 1971 he was chaperone to the Junior Class trip to Washington, D.C. Mr. Hanlon has given twelve years of service to M.H.S. and his students have come to know him not only as a teacher but also as a friend.

Frequently I have the opportunity to talk to students, parents, teachers, and just plain citizens. They all agree that Melrose High School has a spirit which enables all here to rise to their greatest potential whether that he in academic or athletic pursuits; in spite of obstacles that would daunt others of less stern will.

The other day a teacher told me, "Sometimes I come to school not feeling too well or rested, perhaps not well enough really to be in school. By the end of the first period with the students I've forgotten my tiredness and feel well."

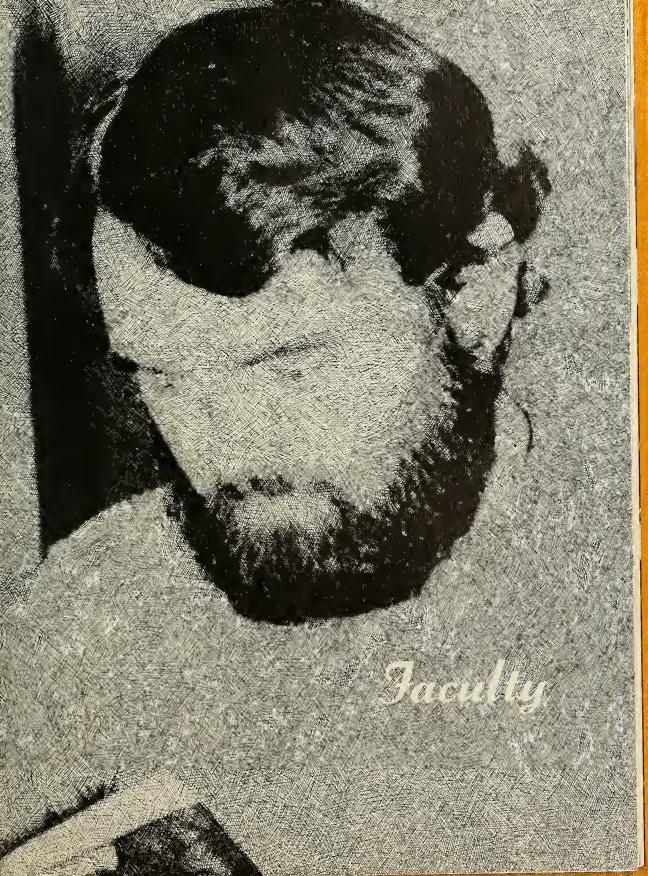

How can this happen and happen to so many others so often? The answer is complex, but part of it lies in the positive attitudes students and teachers have for themselves and for each other. It is wonderful to observe but even greater to share.

As we go into our future lives in unimaginable places, we can reach our finest hours by carrying this spirit with us into all our endeavors to share with others.

No greater gift can we make to life.

During our years at Melrose High, we have come in contact with many teachers. Some have encouraged us; others have bored us to infinity. (Remember the one in room ?) But it works both ways. We were just as exasperating to these same teachers. As we leave, we cannot help but remember:

They're there when you need them; They're there when you don't!

# Student Government

The Melrose High School Student Congress was off to a quick start this year, losing no time in electing new officers. Taking the helm as President was Thomas Garden. Tom had previously given service to M.H.S. as president of the Class of '73 for three years. Holding the number two position was Louis Alfano with Janice Chasse as Secretary.

The Congress took on an active role in student affairs, holding many more meetings than had been the custom in past years. Among some of the proposals discussed that would directly affect the Congress was one that called for the establishment of a bicameral body of government patterned after the federal system. Some felt that the present form was ineffective.

Once again, the annual College Career Night, with M.H.S. alumnae acting as the spokesmen, was coordinated by the Congress. It's main objective was to present a better idea of what various colleges had to offer.

The M.H.S. Student Council consists of the officers of each class. There were some newcomers to the Council as all of the officers from the Class of '73 scored outstanding victories over their opponents, many of

whom had held their position for as long as three years. Among the credits of the Council are the "Works" rock concert and the Winter Ball held at Mount Hood Country Club.

The Student Advisory Committee is a board consisting of five members, four of them from the senior class and one from the junior class. The board meets bimonthly with the School Committee. The function of the board is to make policy recommendations to the School Committee. Areas of recommendation include the summer school program curriculum, student activities, and student rights. This year the board has been successful in obtaining subsidization of various student activities.

The Student Faculty Advisory Board is the only governing body at M.H.S. cemposed of both faculty and students. The board holds meetings twice monthly. Its purpose is to "explore current issues and problems affecting the High School Community and forwarding resulting recommendations to the Principal of the High School" (SFAB Constitution).

Throughout the year all of these student bodies have been active in student government at M.H.S.

#### Loose-Ends

LOOSE-ENDS, the high school literary magazine, allows students to exercise their imaginative and creative abilities. LOOSE-ENDS reflects our efforts to find answers to the perplexing questions of life, while at the same time it serves as an outlet to express our hopes and dreams. It provides students with the opportunity to share their feelings and philosophies. Each story or poem in this year's LOOSE-ENDS represents a student's attempt to express himself in a unique way.

Our well-known newspaper, the *Imprint*, has been and will continue to be a great asset to our school. Under the advisorship of Mrs. Keefe, editor-in-chief Naomi Waka and her talented staff have made this year's *Imprint* excellent. Many students contribute their feelings and views to the *Imprint* and help to make it a good paper. At the beginning of the year the staff had a very successful book fair in the library. During the year, Patty Tully runs a book store, through which students may order books. All through the year, the *Imprint* has made a strong effort to bring itself and M.H.S. a little closer to the individual student.

#### French Club

Le Cercle Français is a very active club of about sixty-five students. Under the direction of Mrs. Allen and Miss Donohue, the club is designed for the enjoyment and enrichment of the French students. The first group activity was a dinner at Mark Hormell's house. This was very successful, complete with coq au vin and vichysoisse. At the beginning of the year, some of the students went to the World Wide Celebration in Boston and thoroughly enjoyed it. In view of the obvious interest this year, the French Club should continue to be active and popular at M.H.S.

The Spanish Club, advised by Mr. Tine, gave its members a vigorous and exciting year. The club's chief aim is to combine the basics of the language with the cultures of Spanish-spreaking countries. This year's activities included seeing Jose Greco in concert, visiting restaurants, planning a Christmas party for underprivileged Puerto Rican children in Boston, and preparing a Spanish dinner for the club members. With such enthusiasm the Spanish Club will certainly live on.

#### Italian Club

The Italian Club was formed this year as an opportunity for first and second year Italian students to study and partake in the Italian language and culture. The club had a luncheon in Boston in October and a trip in December to the Don Orion home for senior citizens of Italian background. There they sang Christmas carols in Italian and English. The trip was followed by a party at a member's house. In the planning stages are a dinner, a dance at an Italian club in Everett, an Italian movie, and a speaker from Italy.

The Girls' Club provides service to its members, families, school community, and those in need. The sixth annual Powder Puff Football Game was held in October. A fashion show was held at Mt. Hood along with the annual Mothers' Tea. Again, this year, the officers collected and distributed food for Thanksgiving baskets.

The Girls' Club is open to any junior or senior girl who wishes to volunteer her time and effort to support the numerous events.

#### Debate

The Melrose High School Debate Team is an active body of approximately forty members. Debaters engage in interscholastic tournaments nearly every weekend throughout New England and the east coast. Success has been the norm rather than the exception. Melrose has been Massachusetts Debate Champion twice and has received national recognition for its success at several major tournaments. Topics for debate have included such areas as, pollution control, the jury system, and this year's topic on exclusive federal financing of public education.

# Honor Society

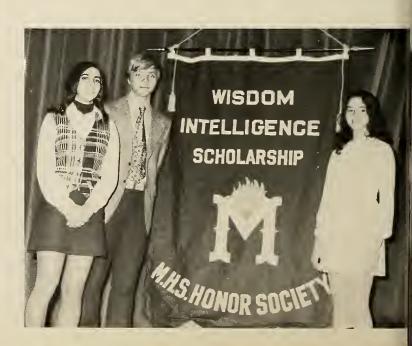

It aint oftin that you's git a more better group of genii as was collected this year at good old Melrose High. To the credit of they, it can be said them didn't do nothin'.

At the fall induction ceremony, inductees was told that they done their job in skool good but reminded that the honors got by they were only benefishal when they used 'em to assist their fellow mans.

A tootering service was set up (one which this writer should take full advantage of) wheres less indowed students could be aided by their peers. Members would instruct on the bestest subject they knew best. Guidelines were established so's the program could be continued in following years.

Mr. Stanley Robinson, guest lecturer.

Officers are Judith Kelly, Annmarie Flynn, Maria Iacoviello and F. Carr.

#### Pal Club

Pal Club, formed not only for enjoyment but for helping underprivileged children, is one of the more popular club in the school. The Club sponsored a very successful Christmas party this year at the Trinity Church besides helping the elderly, special students, crippled children, and lonely youngsters. The members feel that their time is well spent in giving underprivileged children in the community a friend in whom they can confide and someone to whom they can look up.

Members assist teachers in various Melrose schools.

## Drama Society

The Drama Society doth provide its kin opportunity to improve their talents in sundry fields, as wel as, prove their mettle 'pon the stage. The year now past, hath reated the public to Neil Simon's comedy Barefoot in the Park in which Diana Sarni and Richard Cranford Starr'd. 'Twas this play which fill'd the guild's coffers to the full. Jone's and Schmidt's The Fantastiks celebrated that season of Proserpina's return.

Mayhap all the world's a stage but her players seeking sustanance of body as well as soul held their annual Bacchanalian Pot Luck Supper and Spring Banquet. Original skits gilded the festivitiest. 'Twas a delight to the Junior High when the players donned their buskins and trod the boards for their 'joyment.

Their trip included London's landmarks, Windsor Castle, Buckingham Palace, the Tower of London and the great cathedrals. They also traveled to Stratford-on-Avon to the home of William Shakespeare where they viewed a production of a Shakespearian play. The trip also included a visit to Melrose, Scotland, where Melrose High School students are well received because of the reputation they have established in previous years.

# Biology Club

The Biology Club was formed for students interested in exploring natural science. The members meet to discuss and exchange ideas. Field trips to the New England Aquarium, Massachusetts General Hospital, Plum Island and hopefully to the Woods Hole Oceanographic Institute give the students insight into the different facets of biology. Other projects include fund-raising car washes, experiments, and surveys.

Dick Lyons, assistant from Northeastern.

#### Audio-Visual Club

For more than fifteen years, Mr. Laine has been advisor of the A.V. Club. The club was formed to teach members how to operate and care for the equipment used. The students, interested in sound and electronics, spend much time assisting teachers in setting up the audio-visual aids for use in classrooms. The members also spend time developing their ability with the materials. The club raises scholarship money by sponsoring children's movies each year. The students devote long hours of hard work every day to make our classes more enjoyable and more informative through a variety of media.

#### Band

The Melrose High Band is one of the oldest clubs in the school. In spite of its declining senior high membership it has turned out exceptional music this year. The credit belongs to our new and devoted director Mr. Bashford, student leaders Cyndi Chadwick and Peter Wentworth, and of course the members, including several junior high students. The Band played well at our varsity football games, Christmas Vespers, parades and concerts. The Band is a dedicated group of musicians and will always be high on a list of popular clubs at MHS.

### PEP CLUB

For three years now we have been enjoying the efforts of an active and creative Pep Club. Its aims have grown until its members now try to support all M.H.S. teams with anything from rallies to fan mail to a banquet. Though the Boston Globe assured us that the term "school spirit" draws no snickers, (RAH) it was a battle to stimulate interest with the undermining apathy of our peers. The Pep Club efforts did amazing things for the support of all M.H.S. games and meets and matches, not to mention what they did for the cafeteria walls!

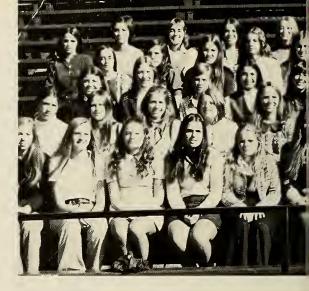

## G. A. A.

The Girls' Athletic Association continues to be the largest club in the High School. This worthwhile organization sponsors all girls' sports. It organizes various sports competitions during activity periods for those interested in participating. G.A.A. also awards a scholarship to a worthy senior with the profits from its fall and spring candy sales. In February the organization holds a student-faculty volleyball game which is enjoyed by all. The year's activities are wrapped up with a banquet which gives recognition for outstanding service, sportsmanship, and athletic ability.

Look closely . . . How often did you see so many coordinated people seated together in one picture? These seniors are chosen because of their athletic ability. They assist the gym teachers with all classes and set examples for their friends.

# Majorettes

Much improved from last year, the '73 Majorette squad was led by co-heads Chris Rogers and Linda Brown. Nine of the ten girls on the squad had previous experience. In order to provide the half-time entertainment for each game, they practiced tirelessly every afternoon. This year the majorettes also entered in competition with surrounding schools. In conjuction with the cheerleaders, the girls planned and held a number of rousing rallies. Surely M.H.S. would never be the same without its majorettes.

### Cheerleaders

Remember when . . . September 1972 they stood in front of all those people and nervously tried to remember what they'd practiced. Remember . . . Janis' sometimes confusing yet always competent leadership.

Remember . . . the highlight of their football season, the successful Thanksgiving Rally and their satisfied feeling of doing something right despite "NECIGIBLO TOTALELIA V.M.

And remember . . . "Walley."

Of course, there were the usual enjoyable brunches, perhaps their favorite cheer is "F.E.E.D. B.A.G." and the usual enjoyable games and more games and more games. But, the bus rides were more than just bus rides with their own "Mr. Wakefield", the alias "Mr. Wonderful" driving a bus resounding with a chorus of "oldies" or and occasional "Happy Birthday." The cheerleaders can be assured that they added something to each game or at least it is the truth to say their absence would have been noticed.

### **Tumblers**

This fall a new dimension was added to the M.H.S. football games with the addition of a tumbling act to the half-time entertainment. With Mrs. Cann as advisor, the membership was encouraging for its first year. Captain Cathy Corcoran and her tumblers provided exciting entertainment at all M.H.S. football games and also put on an enjoyable show at the Thanksgiving Rally. Due to its success and popularity the Tumbling Club promises to be a lasting one at M.H.S.

### Soccer

The soccer team did not do as well this year as was expected. With 3 wins, 4 ties, and 11 loses, they were among the bottom of the league. Despite hard times the team's enthusiasm was never daunted. David Bassler led the team in scoring and co-captain Chris Walsh was voted "Most Valuable Player." Voted as "Most Spirited Player" was Mike Garniss. Coached by Mr. Poulos and Mr. Mulvihill, soccer continues to be a favorite fall sport.

#### Football

After a sustained drought, the M.H.S. grid-men captured the coveted Middlesex League crown. The race went right down to the wire, with a smashing win over Wakefield on Turkey Day being the deciding factor. They had to settle for a co-championship with the Stoneham, team, however.

Melrose was definitely a running team, with Jay Hickey a league leader in points and yardage setting the pace. The team, hampered often with injuries, had to do a lot of shifting in the quarterback position. Coach Hoague fortunately was able to see the plays and put in a winning combination.

First Row: R. Cox, K. Motris, W. Taylor, W. Brugman, A. Aborn, Captain W. Nugent, J. Rochleau, D. Skane, B. Mulvihill, S. Lapilato, P. Baldi. Second Row: W. Fogarty, W. Curry, T. Lamson, P. Crovo, J. # Wrestling

The Melrose High School Wrestling Team finished as season with the league title. The team's captain, Walser Nugent, helped secure the league championship. Bill Mulvihill was voted the most valuable player. Other aluable players who contributed to this win were David kane, Wayne Taylor, and John Arena. All the players id an outstanding job for Melrose. Good luck in the billowing seasons.

### Winter Track

Coach McIntyre's 1972-73 indoor track team had a successful 8-1 season which enabled them to tie Reading. Led by Co-Captains Lou Alfano and David Bryant, the Raiders went on to place third in the State Class "B" meet. Other outstanding seniors on the squad who won letters were Craig Butler, Paul Ferriera, Chuck Justice, David Leach and Pete Surette. Debbie Hemenway added a new twist to the team as she was the first female to compete on the winter track team. The Winter track team will always stand as a symbol of outstanding teamwork and devotion to athletics at M.H.S.

First Row, Coach R. Grant, F. Saunders, L. Dunnet, C. Davidson, J. Flynn, A Barbar, J. Bonivto. Second Row: S. Voigt, R. Harris, R. Larson, J. Peterson, K. Ciazza, R. Devine. Third Row: S. Pack, C. # **Swimming**

For the third time in six years, the Melrose High varsity swimmers have clinched the league title. This year, however, Coach Grant's Raiders had to share their crown with newcomer Belmont. The backbone of the team will be departing with this year's graduating class Mr. Grant is counting on the underclassmen to bridge the gap.

Due to the new design in pools, records have been falling. The highlight of the year was the constant duel between Captain Dick Devine and Fred Saunders in the 200 and 400 yard events with the latter coming out on top.

Our best wishes to Coach Grant for more winning seasons!

First Row: Coaches A. Scibelli and P. Bean, P. Ferguson, R. Spataro, W. Ball, S. LeSaffre, J. Cusolito, W. Killilea. Second Row: W. Stevenson, L. Scibelli, K. Pulsford, J. Slattery, R. LaVita, D. Chiuve, P. Barret.

#### Basketball

The M.H.S. Basketball team, under the direction of Coach Scibelli, ended this year's season with a record of 6-12. Co-Captains Louis Scibelli and Richard Spataro headed the team, keeping the enthusiasm high. Though the team did not make it to the States, the players displayed their talent. High scorers of the season were Ron LaVita, Louis Scibelli, and John Slattery. The junior varsity basketball team finished their season with a record of 3-15. Their marvelous spirit helped to make a great season.

The Raiders are a tightly knit group and put forth a good team effort. They are looking forward to next year's season.

VARSITY First Row: Tri-Captains C. Chadwick, G. Campbell, L. Toney. Second Row: Coach Chase, T. Paleo, M. Reardon, M. Blaney, S. Wheaton. Third Row: E. Evelith, Manager, K. Laskey.

### Basketball

This year's Girls' Basketball team had a disappointing season, with a final record of 3-6. Under the direction of Coach Chase and tricaptains Glenda Campbell, Cindi Chadwick, and Linda Toney, the team kept up their enthusiasm and sense of unity. High scorers throughout the season were seniors Glenda Campbell, Cindi Chadwick and junior Mamie Reardon.

The Junior Varsity team had a good season, ending with a record of 6-3. Led by Captain Judy Wenner, the team's enthusiasm and spirit brought them their wins. Martha Awiszus, Kathy Slattery and Judy Wenner were high scorers for the JV team. The Raiderettes have high hopes of a better season next year.

JUNIOR VARSITY First Row: C. Lynch, J. Nasson, B. LeSaffre, K. Cann. Second Row: D. Doucette, A. Nichols, K. Palano, C. Murphy.

The gymnastics team ended their competitive 1972-73 season with an impressive 4-4-0 record, a marked improvement over last year's record. With Mrs. Taffe as coach, the girls showed remarkable improvement in their routines. The gymnasts under Captain Corcoran had some resounding victories over such highly regarded teams as Stoneham, Belmont, Woburn, and Watertown. Still fairly new on the M.H.S. athletics' roster, the three year old gymnastics team proved to be a challenging rival for any school.

## Hockey

The Melrose High Hockey team, under the coaching of Mr. Hughes, won the Middlesex League Championship for the second consecutive year. Their season ended with a 17-1-0 record.

ond consecutive year. Their season ended with a 17-1-0 record.

Barney Cook broke the scoring record of 51 points, setting the new record of 60 points. The M.H.S. team features the best defensemen in the state, Tim Burke and Andy Benson. Bob Lloyd was the team's outstanding goalie. He came through with nine shutouts and the lowest goals against average.

The Melrose High team stands a good chance of capturing

the championship.

# Field Hockey

Although the girls' field hockey team finished third place in the Middlesex League, they had an exciting season. Due to questionable calls in the Winchester game, Melrose lost second place to the Winchester team. The outstanding game, although it ended up a loss for Melrose, was the Woburn game in which the team, sparked by Captain Barb. Nichols, played excellently against the strong well-experienced Woburn team.

## Cross Country

There have been sweeping changes occurring on the M.H.S. Cross Country team these past two years. They have soared from a minus 500 record to an honorable second place (topped only by Wakefield, a consistently strong competitor). Claudia Graham, alias IBBA, has given our harriers the distinction of being the first club in the state to have a girl competing regularly. With many seniors graduating in June, we hope that the outstanding rookies can guide next year's team to a league crown.

This was Bob McIntyre's first year as head coach of cross country. His spirit and keen insight have given our M.H.S. runners a new respect. Well done, Coach Mac!

Go placidly amid the noise and haste, remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs, for the world is full of trickery. But let this not blind to what virtue there is. Many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical of love; for in the face of all audity and disenchantment it is as perennial as the grass. Take kindly the council of the years, gracefully surrendering the things of youth. Nuture strength of spirit to shield you in sudden misfortune. But do not disturb yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Your joy is sorrow unmasked.

And the selfsame well from which your laughter rises was often times filled with your tears.

And how else can it be?

The deeper that sorrow carves into your being, the more joy you can contain . . .

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.
